Premium, Value Reporting Clause, Coinsurance Clause

If it is indicated in the Declarations that this policy is written on a reporting form basis the following applies:

a. Premium

The deposit premium and minimum annual premium and monthly rate are stated in the Declarations. The premium shall be determined each month by applying the monthly rate to the total value reported and shall be credited against the deposit premium until it is fully earned. After the deposit premium is earned the premium shall be payable each month as earned.

b. Value Reporting Clause

You agree to submit a monthly report, on a form we prescribe, to us no later than 30 days after the last day of each month. The report will show the contract price by location of all jobs in the course of construction. Such jobs shall be reported each month up to and including the month of completion and/or your interest has ceased. If the contract price is not reported, the planned selling price shall be reported.

It is agreed the requirement to report either the contract price or the planned selling price is a method of premium determination and shall not affect the limit of liability.

c. Coinsurance Clause

It is agreed that our liability shall not exceed the amount of loss multiplied by the ratio of the total completed value reported divided by the actual cash value of the property at the date of completion.

Audit By Us

We, or our representative, shall be permitted at all reasonable times during the policy term, or within a year after its expiration to:

- a. inspect the covered property; and
- b. examine your books, records and policies which apply to property covered by this policy.

This condition shall not waive or affect any other provisions of this policy.

Records

You agree to keep books and records in a manner which permits us to determine the exact amount of loss or damage.

Mortgage Clause

The word "mortgage" includes:

- a. a trustee under a trust deed; or
- b. a contract seller under a land contract.

The clause:

- a. applies only to the mortgagee; and
- b. does not affect the insured person's rights or duties under this form.

Loss, if any, under this form, shall be payable to the mortgagee named in the Declarations of this policy, as interests may appear, under all present or future mortgages upon the property described in this form in which the

mortgagee may have an interest. If more than one mortgagee is named, payment shall be in order of precedence of the mortgages. This insurance, as to the interest of the mortgagee only, shall not be invalidated by:

- a. any act or neglect of the mortgagor or owner of the described property;
- b. any foreclosure or other proceedings or notice of sale relating to the property;
- c. any change in the title or ownership of the property; nor
- d. the occupation of the premises for purposes more hazardous than are permitted by this policy;

provided, that in case the mortgagor or owner shall neglect to pay any premium due under this policy, the mortgagee shall, on demand, pay it.

The mortgagee must notify us of any change of ownership or occupancy or increase of hazard which shall come to the knowledge of the mortgagee. Unless permitted by this policy, it shall be noted thereon and the mortgagee shall, on demand, pay the premium for the increased hazard. If this is not done, this form shall be null and void.

We reserve the right to cancel this policy at any time as provided by its terms. In such case this form shall continue in force for the benefit of the mortgagee only for 10 days after notice to the mortgagee of such cancellation and shall then cease. We shall also have the right, on like notice, to cancel this agreement.

Whenever we pay the mortgagee any sum for loss under this policy, and claim that, as to the mortgagor or owner, no liability for payment existed, we shall, to the extent of such payment, be legally subrogated to all the rights of the party to whom such payment was made under all securities held as collateral to the mortgage debt. Or at our option we may pay to the mortgagee the whole principal due or to grow due on the mortgage, with interest accrued, and shall then receive a full assignment and transfer of the mortgage and of all collateral. Subrogation shall not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.
